A Message From The Editor

As editor of the Cardinal, I wish to express my sincere thanks to everyone who has helped in preparing this yearbook. Although the staff has spent many hours working on this yearbook, it would not have been possible without you, the Student Body. For the Class of '72, we hope we have created a yearbook that will help you remember your happy days in the "Halls of Ivy." I now present to you the 1972 Cardinal.

This year's Junior Varsity Cardinals enjoyed a fine season. The J.V. fighting Cardinals showed that they were a determined and willing group of sportsmen by defeating some very talented groups of upperclass opponents. Norris City's team consisted of freshmen and sophomores, whereas many of their opponents were juniors. The key to the success of Coach Pavelonis' team was the fact that the team was willing to work to overcome their deficiencies. The team started slowly with only one win in the first four games, but with this willingness to improve, the J.V. won five of the next seven games to show their true ability.

With this sense of pride, the team improved steadily. A word of praise must be passed to the substitutes for their pride. Although many did not see much game action, they were always there in practice and games to give their very best. As one knows, five men do not make a team; it takes ten to fifteen men who are willing to sacrifice time and energy to push the first five to greater heights. This is one of the many reasons that Coach Pavelonis' team enjoyed a successful and rewarding year.

Coach David Gray's Freshman team was one to be proud of this year. Characterized by the desire to win and capability to play as a team, they finished the year with a 9-4 record.

With fine players such as Randy Short playing regularly on Jr. Varsity and Kevin Allen being injured early in the season, our starting five still gave a balanced attack on every foe they met. Shad Eubanks, Terry Aud, Kevin Graves, Dennis Griffith, and Steve McMahon started; leaving four dependable reserves: Kent Johnson, Jon Davis, Travis Allen, and Norman Anderson. The reserves, or "B" team, also had a good season consisting of 9 wins and 4 losses.

At this time we would like to congratulate Coach Gray and his fine team on their very successful 1971-72 basketball season and we can be looking forward to their promising ability in the next few years.

That night at the game, the Pep Club cheered the team to a victory over the Ridgway Eagles. Approximately thirty minutes after the game, the coronation was held in the grade school gym. Miss Paula O'Neal was crowned 1971-1972 Homecoming Queen. Morris Simpson, Master of Ceremonies, presented the Queen and her attendants.

Following the coronation, the gym was cleared for the dance. Music was furnished by the group, the DNA. The 1972 Homecoming activities were a great success.

"O.K. – the next person who forgets a line gets plugged!"

"I am the LAW and I've got you kriminles cornered."

A new rock group – "Davey and the Delinquents."

His last line was, "Oh dear, I'm so confused."

Our backstage crew – hard workers?

Tough guys – the law – football – and a phoebia – do they mix?

"Are these senior girls or are they "teenangels from the 1950's?"

Banish your wife and come with me to Mt. Olympus.
